

April 1, 2019

Dear Tora Class Parents,

Welcome to Tora class! I am excited to work with your child this summer. We will be working on a variety of activities and will be participating in our own play performed at Open House.

Our play production will be completely put on by our class, what a great experience! We will require assistance with props and costumes during the session and possibly help with backstage supervision. We will contact you during session as needs arise.

For our daily activities please provide and label the following:

1. Writing utensils (pencil, pen, eraser, permanent marker)
2. Scissors
3. Craft glue stick-not purple glue
4. Small pencil/craft box labelled to hold all of the items

We will be working on a variety of messy projects this session, please be dressed for it.

Feel free to contact me with any questions or concerns. I look forward to meeting you during session.

Sincerely,

Ann Chavez
