Dear Nakayoshi Parents,

I want to welcome all the families to Nakayoshi Gakko! Even though we are coming to you virtual, we are so excited to share with you all the fun and exciting activities we have planned! I am hoping your child will learn something new about the Japanese culture and have fun!

Please read through the following information before the first day of class.

**Supplies you need to provide for your child:**

- Pencil
- Scissors
- Tacky arts and crafts liquid glue
- Black sharpie
- Glue stick
- Crayons, color pencils, markers - (anything your child wants to color with)
- A set of watercolor paints and brush

**Things to have ready for Day 1:**

- Have your child decorate a shoebox any way he/she likes. Fill the shoebox with 3 special items your child can share about him/herself. (*ie.*, family photo, favorite book, trophy...)
- Print a 4x6 photo of your child. Please print it portrait (vertical). The photo should be like a headshot (about mid-chest). We will use the photo for making the “ME” scroll project on Day 2.
- Find 1 or 2 labels from rice products or things made from rice that are around your house (*ie.*, cereal, pudding, candy, rice...) - this will be for week 2

Thank you for helping to collect these items. I am looking forward to meeting your child! If you have any questions, please let me know.

Sincerely,

Lowe Sensei
