

April 24, 2023

Dear Tora Class Parents,

Welcome to Tora class, I am excited to work with your child!

This summer we are going to create a performance of a classical Japanese folk story. Your child might be asking for help with props and/or costumes. Our projects include a Bento Box, ceramics, and learning about the seasons and nature in Japan.

Please let me know as soon as possible if your child will be missing any part of the session.

For our daily activities please provide the following:

- Pen and pencil

- Black marker or sharpie

- Scissors

- Gluestick

- Small container of tacky glue

- Individual hand sanitizer to use throughout the day

- sun protection/sunscreen

Feel free to contact me with any questions or concerns,

Chavez Sensei
