

March 20, 2024

Dear Tora Class Parents,

Welcome to Tora class, I am excited to work with your child!

This summer we are going to create a performance for Open House. The class will choose a classical Japanese folk story and re-create it. Your child might be asking for help with props and/or costumes. Our projects include a Bento Box, ceramics, and learning about the seasons and nature in Japan.

Please let me know as soon as possible if your child will be missing any part of the session.

For our daily activities please provide the following:

Pen and pencil

Black marker or sharpie

Scissors - please label

Gluestick

Small container of tacky glue - please label

Individual hand sanitizer to use throughout the day

sun protection/sunscreen - please label

Feel free to contact me with any questions or concerns,

Chavez Sensei
